Florida City Gas ECP Residential Appliance Program Terms and Conditions

Terms and Conditions

Rebate allowances applies for residential customers of Florida City Gas who have a current gas account in good standing and who are purchasing or leasing a new natural gas water heater, cooking, furnace, range, or clothes dryer appliances to replace a residential electric appliance with a natural gas appliance in existing residences or to replace their existing natural gas residential appliance or to convert their existing propane appliance to utilize natural gas in existing residence or for developers, builders and residential customers of Florida City Gas who activate the new gas service as a result of new construction. Rebate allowances may be applied to cover the cost of the new appliance and any out of pocket costs incurred by the customer in installing the appliance, including costs of applicable permits. Florida City Gas' Energy Conservation Programs are in effect unless suspended by order of the Florida Public Service Commission. Rebate requests submissions and supporting documentation must be submitted within 120 days of purchase and installation of qualifying appliance. Only one rebate submission per appliance will be accepted. No exceptions. Program is good for purchases or leases of appliances installed in the Florida City Gas service territory only. You must provide all the information requested in the submission form and deliver supporting documentation as required in order to be eligible, including a copy of proof of purchase (receipt or invoice), proof of lease (if applicable), proof of customer consent to these terms and conditions and assignment of rebate payment (if applicant is installing contractor or leasing agent), and proof of installation (i.e. work order, receipt, or supporting documents). By submitting a claim, you consent our collection, use and disclosure of the information contained in it, together with any information you may subsequently provide to us, to any person or entity for the purpose of processing this form or responding to your requests and for internal business purposes in accordance with our privacy policy. Our use of your information is governed by our privacy policy that can be found at www.floridacitygas.com. Employees of Florida City Gas, dealers, and retailers are eligible to participate in this program so long as they meet all other criteria. Please allow at least eight weeks after your completed claim (including supporting documentation as required per program) is received to receive your rebate. Rebates will be paid in U.S. dollars. Rebates may be fulfilled, at the discretion of Florida City Gas, via a check, in which event rebate offer expires for this submission if rebate check is not used within 6 months of issue date. Florida City Gas is not responsible for lost, late, damaged, postage due, mis-delivered or misdirected mail and incomplete or illegible submissions. All entries become the property of Florida City Gas. Incomplete entries will not be processed and customer will be notified of missing information. Florida City Gas reserves the right to substantiate sales receipts, serial numbers and installation information, and to request additional documentation. Physical inspection for verification of claims may be required. If multiple purchases that qualify for Energy Conservation Program are on the same receipt, please include online summary form printouts and supporting documentation for each appliance in one envelope, and circle the product and purchase price on the sales receipt. To check the status of your rebate call 888.CITY.GAS. Florida City Gas is in no way responsible for the installation, quality of installation, or quality of natural gas appliance(s) for which you submit a rebate claim under the Energy Conservation Programs. Any concerns regarding installation should be directed to your installer, and any concerns regarding natural gas appliances or equipment should be directed to the manufacturer. Rebate claims may only be submitted by individuals above the age of majority in the State of Florida. Offer void where prohibited by law. Keep a copy of your submission for future reference.

Additional Terms and Conditions for Rebates Submitted by Installing Contractors

The installing contractor may apply for the rebate only if such contractor offers at least the rebate amount as a discount on the customer's invoice, the customer agrees in writing to assign the rebate to contractor and to accept these rebate terms and conditions, the customer is a qualifying Florida City Gas customer and all other terms and conditions are fulfilled hereunder. Only one rebate submission per appliance - either by the customer or the installing contractor, but not by both - will be accepted.

Florida City Gas ECP Residential Appliance Program Terms and Conditions

Additional Terms and Conditions for Leased Appliances

If a qualifying appliance is leased, the rebate is redeemable either (i) by the customer lessee for only his or her out of pocket up-front costs at the time of the signing of the lease agreement, including down payments and permit costs, if the customer incurred such qualifying costs, up to the amount of the rebate or (ii) by the lessor for only its out of pocket up-front costs at the time of the signing of the lease agreement, including the cost of the appliance and installation costs, if the lessor incurred such qualifying costs, up to the amount of the rebate. Only one rebate submission per appliance - either by the customer lessee or the lessor, but not by both - will be accepted. Proof of qualifying incurred costs by the applicant filing for a rebate relating to a lease is required for approval. A lessor may apply for the rebate for a qualifying appliance only if the customer agrees in writing to assign the rebate to the lessor and to accept these rebate terms and conditions, the customer is a qualifying Florida City Gas customer and all other terms and conditions are fulfilled hereunder.

Taxes

Payments made to contractors, business customers or landlords may be taxable under federal and state tax codes. If payments total more than $600 per calendar year, they will be reported to the Internal Revenue Service. Participants should consult a tax accountant or advisor regarding potential tax liability. Florida City Gas is not responsible for any taxes that may be imposed on your business as a result of these payments.

Participation

This program is designed to promote the replacement of a residential electric appliance with a natural gas appliance in existing residences and the conversion of existing residential propane appliances to utilize efficient natural gas and the retention of existing natural gas residential appliances for natural gas customers. The program provides incentives for the water heating, space heating, cooking, clothes drying, or gas cooling and dehumidification appliances through the purchase or lease of energy efficient natural gas appliances.

Allowances are paid up to the schedule below:

Appliance	Electric to Gas	Gas to Gas	New Construction	Propane to Gas
Gas Heating	$725	$500	$500	$200
Gas Tankless Water Heating	$675	$550	$550	N/A
Gas Storage Tank Water Heater	$500	$350	$350	$100
High Efficiency Tank Water Heater*	$550	$400	$400	N/A
Gas Cooking	$200	$100	$150	$25
Gas Clothes Drying	$150	$100	$100	$50
Gas Cooling and Dehumidification	$1,200	N/A	N/A	N/A

**To qualify for the High Efficiency tank water heater rebate, the natural gas appliance must meet the Energy Star Certified Factor of .81. For more information, visit https://www.energystar.gov/products/water_heaters/residential_water_heaters_key_product_criteria.*
